

Perfect Poison A Female Serial Killer S Deadly Medicine

Perfect Poison A Female Serial

A serial killer is typically a person who murders three or more people, usually in service of abnormal psychological gratification, with the murders taking place over more than a month and including a significant period of time between them. Different authorities apply different criteria when designating serial killers. While most set a threshold of three murders, others extend it to four or ...

The Joker debuted in *Batman #1* (Spring 1940) as the eponymous character's first villain, about a year after *Batman's* debut in *Detective Comics #27* (May 1939). The Joker initially appeared as a remorseless serial killer, modeled after a joker playing card with a mirthless grin, who killed his victims with "Joker Venom," a toxin which left their faces smiling grotesquely.

In 1944, Frank Capra had more Academy Awards than any other director. Because of his fame, he could direct whatever he wanted. He decided to adapt the Broadway play *Arsenic and Old Lace*, and placed Cary Grant in the star role. Even though this was Grant's least favorite movie to work on, it's still a great screwball comedy that is just absurd in every way.
