The History of Prophecy in Ancient Israel The Bible allows us to trace the history of prophecy in ancient Israel. Not counting Moses, the earliest prophets described in the Bible were seers, charismatic figures who prophesied in a trance, usually induced by the use of music and dance.

Prophecy in Ancient Israel | My Jewish Learning

Reprinted with permission from Every Person's Guide to Jewish Philosophy and Philosophers, published by Jason Aronson Publishers.. Both the Bible and rabbinic literature contain explicit views about God, man, and the world. These views, however, are not presented in any formal systematic way, and thus it is more common to speak of biblical and rabbinic theology rather than philosophy.
