Directed by Sharon Gosling. With Sean Connolly, Bella Hamblin. An original live radio play from award-winning author Sharon Gosling.

The Earth from the Air (2017) - IMDb

The original "The Earth From The Air" was absolutely massive in size (one of the largest and heaviest books I've ever owned), but one which I was ultimately disappointed in. This smaller, more compact and updated version called "The Earth From The Air in 366 Days" is, strangely enough, a much more enjoyable book.

The Earth From The Air 365 Days by Yann Arthus-Bertrand

Earth from the Air. Documentary following French aerial photographer Yann Arthus Bertrand on his ten-year mission to create a photographic inventory of the Earth's surface for ecological purposes.

A new camera system from a California electrical company, airborne and space-based sensors from NASA, provide real-time information for firefighters on the ground

Spotting Fires from the Earth, Air and Space - voanews.com

The atmosphere of Earth is the layer of gases, commonly known as air, that surrounds the planet Earth and is retained by Earth's gravity. The atmosphere of Earth protects life on Earth by creating pressure allowing for liquid water to exist on the Earth's surface, absorbing ultraviolet solar radiation, warming the surface through heat retention (greenhouse effect), and reducing temperature ...

Atmosphere of Earth - Wikipedia

Various Causes of Air Pollution Air pollution is the introduction of harmful substances in the air that have detrimental impacts to the environment and humanity. It occurs when the harmful substances such as foreign gases, odour, dust, or fumes are present in the air at levels that can harm the comfort and health of animals and humans or even ...

5 Primary Causes of Air Pollution | Earth Eclipse

The Earth from the Air is quite old but spectacular presentation which still amazing me a lot. If anyone loves photography and haven't see it I really recommend to go on the web page or see a book where you can find all the pictures which were taken from the air.
